

OSHA-READY. WITHOUT THE \$100K HIRE.

Toolbox talks, inspections, incident reports and training tracking — **the whole job site in one app.** Supervisor and crew portals, priced by the site, not the person.

- ✓ Incident reports in 60 seconds
- ✓ Unlimited workers, no per-seat fees
- ✓ Audit-ready records, always
- ✓ Set up in a day — no laptops

A full-time safety manager: \$90–120K / year.
SacredOps: from \$149 / month.

Every plan includes unlimited workers and both portals · no setup fees · cancel anytime
