

OSHA-ready compliance **without a full-time safety director.**

The all-in-one field-safety & operations app for construction and warehouse contractors — supervisor and worker portals in one place, priced by the job site, not the person.

WHAT YOU GET

- ✓ **Toolbox talks & sign-ins** — signed, exportable PDFs
- ✓ **SDS library & OSHA board** — always on hand
- ✓ **Forms & permits → PDF** — fill, sign, file
- ✓ **Live dashboards & reports** — every site at a glance
- ✓ **Incident reports** — body map + tracking # in 60s
- ✓ **Inspections & JSAs** — corrective actions tracked
- ✓ **Training & cert tracker** — valid / expiring / expired
- ✓ **Payroll, scheduling & daily logs** — exportable
